

Granite Partnership

Family Center

Principal Information **Link to the Parent Institute Web Site**

As part of your participation in the Granite Partnership Family Center, you have access to the ***School Success Web Content Service***. This web site offers a wide range of topics for parents. The information is designed to address their questions and increase their knowledge of ways to support student success. It is another extension for you in providing family services and increasing parents' skills.

Each school has a unique ID number and will be responsible for placing the service on your individual school site.

To add the School Success Web Content Service to your existing website

- Go to: <http://www.schoolsuccesswebcontent.com/setup/>
- Use the installation option labeled "BEST" as it will provide for the highest usage by your parents. They will be able to see the information changing each day as they log on to your website.
- If you have questions, please reply or call 1-800-756-5525.
- Your subscriber ID number is listed below:
